the greater part of the time. She has been troubled
with shortness of breath & great fluttering of the heart
which has been very distressing, and has frequently
been unable to leave her bed. The rupture was very arge and severe. She tried almost every remedy for such cases with but little benefit. When she had taken but three bottles of your excellent medicine she was entirely relieved of the disease of the heart, and

was entirely relieved of the disease of the heart, and the rupture has almost entirely disappeared.

She has also had the dropsy, and was very much swollen. We had no idea that she could be so bene-fited, as she had such a complication of diseases. But it has, as strange as it may appear, relieved her of the dropsy. I am aware that this statement is so strange as to appear almost like fiction, but it is sober reality. Your Sarsaparilla is certainly a valuable medicine, and should be used by every one that suffering as we have been. Da. Townsene: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described. I obtained a bottle of your Extract of Sarsaparilla and followed the directions you gave me. In a short period it removed her complaints and restored her to health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public.
